**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not grant the petition put forth by telecommunications companies to end line sharing under the 1996 telecom act. Taxpayers paid for the infrastructure as companies were unwilling to invest without taxpayers footing the bill, so in the public interest line sharing should continue.

I am a current sonic.net DSL (fusion) customer. I am hopeful that fiber from sonic will be available at some point, but in the meantime my unthrottled internet connection from a company with a dedication to customer privacy fits my needs.
